

\$0 contraceptive drugs and methods for Prescription Drug Lists (PDL) 20, 30 and 40

Blue Cross and Blue Shield of Nebraska ensures women receive benefits for certain contraceptive methods and counseling in accordance with federal guidelines. The following list of prescription medications, over-the-counter (OTC) medications and supplies may be covered under your plan at no cost when obtained from an in-network pharmacy. For OTC medication and supplies to be processed as in network at no cost, you will need to obtain a prescription from your health care professional. All OTC items must be purchases at the pharmacy counter and not at the store's upfront cashiers.

To confirm your benefits, and when this list is effective for your plan, please call the Member Services number on the back of your member ID card.

The contraceptive drugs listed below will be covered at no cost to you. If the item is not on this list, it may still be covered, but will be subject to your plan's normal prescription drug cost-share amounts.
