Dear Potential NBA Member:

Thank you for your interest in the Nebraska Bankers Association (NBA). Any corporation, firm, or individual that is not a Nebraska state or national bank, having a business interest in Nebraska, that provides or sells any service or product that aids in promoting the purpose for which the NBA was formed is eligible to become an associate member upon approval of the NBA's board of directors and payment of annual dues. The current dues are \$785 annually. Membership in the NBA, one of the country's finest trade associations, can be a definite advantage to you and your business. You will be kept abreast of issues affecting the banking industry, and you can participate in the NBA's educational programs and the annual convention at member bank prices.

With your associate membership you will receive for one full year:

- ✓ NBA's weekly "Update" publication (hard copy and/or electronic)
- ✓ Opportunity to advertise in the bi-monthly "Nebraska Banker" magazine
- ✓ Opportunity to submit articles to "Nebraska Banker" magazine
- ✓ Educational calendars, brochures, and notifications
- ✓ Listing in the NBA's annual directory
- ✓ Publication on the NBA Web site and a link to your Web site
- ✓ Opportunity to display materials at conferences
- ✓ Opportunity to cosponsor NBA events
- ✓ Opportunity to purchase NBA mailing lists or labels

Associate members shall have the privilege of active membership except protective benefits or the right to vote or hold elective office. Associate membership does not constitute an endorsement by the NBA, and associate members shall not imply an endorsement by the NBA through the promotion or advertising of their products or services. Failure to abide by these provisions may result in expulsion of your company as an associate member.

If you would like more information about becoming an associate member of the Nebraska Bankers Association, please feel free to contact me. If you are interested in membership, simply fill out the attached application form and return it at your convenience (**please do not include payment at this time**).

The description of your business should include information, in one paragraph, that describes the services you will provide to our membership. One requirement on the application for membership is to provide two Nebraska member institutions that you are currently providing a service to as references. Upon approval by the board of directors, you will be notified of your membership.

Thank you for your interest in the Nebraska Bankers Association!
