Thanks to the generosity of our many contributors, we are working toward a funding goal of \$500,000. The Nebraska Bankers Educational Foundation (NBEF) is able to provide up to 12 annual \$1,000 scholarships. As the funds continue to grow, more scholarships and larger dollar amounts will be awarded each year. If you know of qualified candidates, please share an application form with these deserving college students. For more information visit www.nebankers.org or call the NBA Office at (402) 474-1555.

The Nebraska Bankers Educational Foundation (NBEF) is a non-profit corporation organized exclusively for charitable and educational purposes. One of its primary goals is to award scholarships to college and university students majoring in programs related to banking and to employees of federally insured depository institutions. NBEF may from time to time raise, solicit, and receive funds in the form of charitable contributions and donations to be used to promote the purposes for which this corporation was formed. NBEF intends for its scholarships to be used both as recruitment and retention incentives for students pursuing banking careers. Through these scholarships, NBEF hopes to strengthen the banking industry in Nebraska.
