

# NB NEBRASKA BANKERS EF EDUCATIONAL FOUNDATION

**NEW GOAL: \$500,000**

**Ensure the future of the banking industry by contributing to the NBEF Scholarship Funds. Your donations will provide scholarships now and into the future!**

Thanks to the generosity of our many contributors we have surpassed our original funding goal of \$300,000 and are now working toward \$500,000. The Nebraska Bankers Educational Foundation (NBEF) is able to provide up to 12 annual \$1,000 scholarships. As the funds continue to grow, more scholarships and larger dollar amounts will be awarded each year.

Two NBEF scholarship funds are currently in place. Six scholarships come from the general fund and six from the William B. Brandt Memorial Scholarship fund.

Donations can be made to these funds at any time. Please help us reach our goal. Make your contribution today!

Also, if you know of qualified candidates, please share an application form with these deserving college students. For more information on the scholarships please go to [www.nebankers.org](http://www.nebankers.org) or phone Wendy Leming at (402) 474-1555.
