

Bank Secrecy Act for Frontline Personnel

Teleseminar/Webinar • September 16, 2008, 1:30-3:30 PM CT

This teleseminar/webinar addresses all requirements of the bank's BSA/AML training program as outlined in the BSA/AML examination procedures. The manual and presentation provide a complete training solution on this important topic.

Each regulatory agency requires that financial institutions provide annual BSA training for appropriate personnel, including, but not limited to tellers, customer service representatives, lending officers and all other customer contact employees. This teleseminar/webinar addresses all requirements of the bank's BSA/AML training program as required by federal regulators and outlined in the BSA/AML examination procedures. The manual and the presentation provide a complete solution for training on this important topic.

Highlights

- Currency transaction reporting,
- Exemptions from currency transaction reporting,
- Record retention requirements,
- Customer Identification Program requirements,
- Customer Due Diligence responsibilities,
- Money Services Businesses documentation requirements,
- A review of money laundering methods, and techniques to recognize money laundering,
- OFAC responsibilities,
- Suspicious activity reporting requirements, and
- Penalties for non-compliance.

In addition, BSA training must also include a "review of internal policies, procedures and processes." A list of questions is provided to facilitate discussion of the bank's program at the end of each topic in the manual.

Why Participate?

- This is the most cost effective, time efficient way to meet the BSA's annual training requirement.
- BSA is a safety and soundness topic and, as such, carries more liability for the financial institution and its staff than any other compliance issue.
- This program is presented using "real-world" examples in a very "down-to-earth" fashion.
- A comprehensive, easy-to-use manual is provided as a desk-top reference.

Audience

Anyone with BSA responsibilities, including tellers, CSRs, lending officers and all customer contact personnel. The program is suitable for new and experienced personnel. It is presented at the basic level.

Speaker

Laura Wilson is a principal with Pegasus Educational Services, LLC. Audiences routinely comment on her unique recollection of material and sense of humor. At one time she served as compliance trainer for a \$3 billion savings bank. Later, she was a senior consultant/trainer for a consulting firm for financial institutions. She has also taught at compliance schools sponsored by the OTS and the FDIC.

What is a Teleseminar/Webinar?

A teleseminar/webinar is an enhanced telephone seminar. The audio portion is delivered by speaker phone; however, you may now view a corresponding PowerPoint presentation using a PC or PC connected to an A/V projector. No special hardware is needed. You may still participate by phone only. The program consists of 90 minutes of instruction and 30 minutes live Q&A. Each registration provides 1 connection to the teleseminar/webinar, materials and access to the 30-Day Replay. You may have unlimited listeners on your connection by speaker phone and PC. You will receive a confirmation with your PIN, materials and instructions.

If you do not receive a confirmation at least 2 days prior to the event call 888-262-7701. You may also purchase the CD and materials.

30-Day Replay - Within 5 working days after the broadcast, you will receive a URL providing unlimited access to a recorded copy of the presentation for 30 days. This enables you to participate in the live teleseminar/webinar, train additional staff and review the material as needed.

Transmission, retransmission or republishing of the audio portion of the teleseminar/webinar is prohibited. Your registration entitles you to 1 connection at 1 location with permission to copy materials for participants. Complete one registration per location.
