William B. Brandt

William B. "Bill" Brandt served as a long-time general counsel and lobbyist for the Nebraska Bankers Association. Bill's amazing 25-year tenure with the Nebraska Bankers Association began in 1965, following two terms of service in the state Legislature. During that time, he also served as vice president and counsel for the First National Bank of Unadilla. Bill Brandt's efforts throughout the years brought many successes for the Nebraska banking industry. He was the principal sponsor on behalf of the banking industry for a bill to adopt the Uniform Commercial Code in the 1960s. In addition, he was one of the driving forces behind the formation of NetWorks, a company that oversaw statewide electronic funds transfer system and computerized switching operation for ATMs and point-of-sale terminals. Through the establishment of the William B. Brandt Memorial Scholarship Fund, Bill's service to the banking industry, his community, and the state of Nebraska will not be forgotten.

The Nebraska Bankers Educational Foundation (NBEF) is a non-profit organized exclusively for charitable and educational purposes. One of its primary goals is to award scholarships to college and university students majoring in programs related to banking and to employees of federally insured depository institutions. NBEF may from time to time raise, solicit, and receive funds in the form of charitable contributions and donations to be used to promote the purposes for which this corporation was formed. NBEF intends for its scholarships to be used both as recruitment and retention incentives for students pursuing banking careers. Through these scholarships, NBEF hopes to strengthen the banking industry in Nebraska.
