

March 24, 2020

The Nebraska Bankers Association staff will be working remotely effective March 25, 2020. This is a preventative measure to mitigate, suppress and delay the spread of COVID-19.

You can reach staff by calling the NBA office at 402-474-1555 and selecting the extension for the person you are trying to contact or leaving a voicemail in the general mailbox. The voicemail will be forwarded to the appropriate individual during regular business hours. Staff will also be available via email, which can be found [here](#).

The status of NBA events has been updated on the [education event calendar](#). The NBA will provide full refunds of program registration fees; however, registrants are responsible for canceling hotel and related travel reservations. Please contact the NBA Education Center at nbaeducation@nebankers.org or call 402-474-1555.

The NBA has also created a webpage with resources for banks to help mitigate the situation. Updates on benefits programs, press release samples, lobby signs and more can be found on the [NBA COVID-19 webpage](#).

Thank you for being patient and understanding as we continue to monitor the situation.
