### **Why does BankPAC need me?**

We are all in this together!

It does not matter if you are a senior officer, a director, or a part-time teller; your participation and your institution's participation make a difference.

If you benefit from the banking industry in Nebraska, you have something to lose if bad laws are passed and much to gain when pro-banking laws are passed. It takes each one of us doing our part.

This is not a time for solos; we need a choir to make our voices heard!
